

Mandatory Institutional Quarantine for all passengers arriving from India

Turkish Government starting from April 22, 2021, 0001 hrs has made Institutional Quarantine mandatory for all passengers arriving Turkey, who visited India within the last 10 days, irrespective of negative RT-PCR Test.

The quarantine period would be for 14 days, following their arrival and at a place determined by the Government.

On the 14th Day the passenger would be subjected to PCR test, and if the result is negative, the quarantine shall be lifted.

All passengers of 6 yrs and above need to submit Sars-Cov-2-PCR Test, carried out within 72 hrs prior to departure

There is no PCR or Quarantine requirement for the crew.
